BG Okays Franchise

BELLE GLADE—A new 30-year franchise was granted Florida Power & Light Company by the City Commission Wednesday night, assuring the City of Belle Glade an annual rebate of more than \$14,000 annually.

For a time, acceptance of the franchise looked marginal as opposition to immediate acceptance of the franchise was voiced by J. K. Baker, O. G. McWhorter, Roscoe Braddock, Jack Thorne, and E. A. Lindrose.

Commissioner Zack Ingram, who voted for acceptance on first reading of the proposed franchise ordinance last Commission meeting, joined with Mayor Walter Ashley in opposing immediate acceptance.

Asks Referendum

Ingram held out for holding a referendum on the 30-year franchise, and Ashley continued his stand for an engineering survey on the possibilities for a municipal power plant. A letter was read from the directors of the Belle Glade Chamber of Commerce reaffirming their previous endorsement to accept the franchise without a referendum.

Commissioner Herman Close led the discussion favoring the franchise after the opposition voiced opinions, and after a reading of the proposed franchise ordinance moved for adoption on second reading.

CAMERA REPORT: CAP Cadets Solo

FIRST GLADES CIVIL AIR PATROL Cadets to make their solo flights are Miss Dorothy Irvin, 16, daughter of Mr. and Mrs. Ted Irvin, Belle Glade, and Val Gabaldon, 16, of Pahokee, shown above with Val's father Gil Gabaldon, their instructor. CAP Sgt. Irvin soloed out of Belle Glade Airport after 8 1/2 hours dual instruction. PFC Gabaldon, after 7 3/4 hours of instruction, went aloft at Pahokee Airport. Both students will be seniors at their respective high schools next fall. Val is newly-elected Pahokee FFA president, and Dorothy is prominent in 4-H, Red Cross, and school paper activities as well as being organist at St. Philip's Roman Catholic Church.

BREAKWATER BIDS ASKED

PAHOKEE—Bids were asked today for construction of the new breakwater at Pahokee waterfront, with contractors to submit them by 10 a.m. June 24.

K. C. Mock & Associates, engineers for the new structure which is to be built under a loan from the Internal Improvement Fund, announced that plans and specifications for the construction are available at their office, 204 City Center Building, Lake Worth.

Bids are to be made on furnishing all materials, labor, equipment and supplies for the steel sheet pile breakwater.

CD Meeting Tonight

PAHOKEE—A Civil Defense meeting is called for tonight at 8 at City Hall, according to Mrs. Leon Spooner, Ground Observer Corps supervisor. Guest speaker will be a representative from CD headquarters in Miami.

SYRUP PARTY ENDS YR. SWEETLY

SOUTH BAY—A maple syrup party in Mrs. Olga Hardy's second grade class topped the sweetest project in South Bay school this year.

Throughout the past school year, Mrs. Hardy's class has enjoyed a correspondence with the second grade class of the Broadstreet School in Glens Falls, N.Y. regarding the sugar industry in both areas.

It all started last fall when the New York class wrote for information and Mrs. Hardy's class sent them some sugar cane from local fields.

The New Yorkers reciprocated by sending a booklet illustrating the maple sugar industry in their area and this spring sent a can of maple syrup to the class. So to top off the whole sweet subject, Mrs. Hardy and her class held the syrup party at the school last Friday.

SWIM POOL AT \$26,000

BELLE GLADE—The Swimming Pool Fund stood at \$26,000 at OBSERVER press-time yesterday, with \$1475 turned in Wednesday as first results of the drive for individual pledges and contributions.

Of the latter figure, \$400 came from what business places were open Wednesday afternoon, large portion from the elementary and high schools, and the remainder from the Southeast and Southwest residential sections.

Mrs. F. O. Hobson has made geographical assignments for the drive, and all residents and businesses are being asked to contribute or pledge to help reach the goal of \$80,000.

UNITY ELECTS THOMPSON

PAHOKEE—Joe Thompson was elected president of Unity Farms, Inc. at the annual meeting of the company Wednesday. Other new officers elected were Robert Hatton, vice president, and Lloyd Hundley, secretary-treasurer.

July 4th Plans Set

PAHOKEE — Plans for a Gladeswide July 4 celebration at Pahokee Pier were made by the Chamber of Commerce board of directors in their monthly meeting Monday.

President M. P. Stanley announced that the board would begin immediately to receive applications for a new secretary to replace Mrs. Bertha Orr, who resigned Monday effective June 30.

Jesse Reel, administrator of Everglades Memorial Hospital, was elected board member to succeed Boyd Vorhees, who has resigned to take up duties with the newly-formed Canal Point Chamber of Commerce.

Among events scheduled for the Fourth celebration, to start at 7:30 p.m. Monday, July 4, and reach a fireworks climax after sundown, will be the awarding of the C-C Black Bass Fishing contest trophy and prizes.

The Upthegrove quartet will sing, and at least one other musical group will be on the program. The Lions Club will put on a barbecue under the chairmanship of Duncan Padgett, with price and place details to be announced later.

The directors voted to ask the American Legion and a group of senior Boy Scouts to help with regulation of traffic, under the direction of the Pahokee police department.

The new yellow-on-black C of C signs have been finished by Malcolm Millar, the board heard, and two signs will be put up in addition to the new large office sign, so that tourists may easily find the office.

BG Legionnaires Installed Monday

BELLE GLADE—The officers of the American Legion Post and the American Legion Auxiliary were jointly installed at ceremonies Monday evening at the Legion Hall.

Following the presentation of colors, Jesse Motes, post commander presided over the meeting and introduced Frank Gates, ninth district commander who introduced the installing team.

Mrs. Mary Riley, auxiliary president, introduced the installing team for the auxiliary and other guests. She also presented gifts to her executive board.

Officers of the post, installed by ninth district officials, were Homer Brooks, commander; C. R. Pentz, first vice commander; W. E. Eggleston, second vice commander; D. R. Kicklighter, third vice commander; Morris (Continued on Page Three)

Domestic Sugar First

If our Glades vegetable growers were forced, each year, to store or preserve at their own expense, a large percentage of their output while the government imported some 45% of the vegetables for American consumption from foreign countries, we bet there'd be the biggest uproar ever heard.

Yet right now, in the sugar industry which is so large a part of the Glades economy, such a "you keep it—we'll buy abroad" policy exists under U. S. government regulations.

United States Sugar Corporation, for example, due to government fixed production quotas, has a total of 36,000 tons of sugar on hand which it cannot sell, and which under the Sugar Act as it now exists, has no prospect of being sold. The sugar company already has spent \$235,000 to build a storage warehouse, and must construct still another for 15,000 tons produced over quota this year.

Improvement of cane varieties and methods, as well as favorable conditions, have made Glades sugar production rise despite the man-made quotas. Yet presently, the U. S. is importing 45% of the sugar consumed in this country from foreign countries.

Thanks in large part to Rep. Paul Rogers, hearings to get some relief for overstocked domestic sugar growers will begin before the Agriculture Committee of the U. S. House of Representatives June 22.

We urge all Glades residents, whether they are directly or indirectly concerned with the existence of the local sugar operations, to write to Rogers, to both Florida Senators, and to the House Agriculture Committee, urging support of Senate Bill 1635 and HR 5406 to give American producers a chance to market the sugar they have grown in this country.

From where I sit... by Joe Marsh

Sad Note
From The Bugle

All of us on the *Clarion* were alarmed to learn that our principal rival in the newspaper field—the *Balesville Bugle*—might have to shut down.

Crops were bad in Balesville last year and one of their factories moved out of town. Just temporary hard times, of course—but the *Bugle* needs help now if it's to survive.

So, this paper is going to scrape up a little money to help tide them over, and we hope other local concerns will do the same. We've seldom agreed with them editorially over the years—but

we want their competition to keep us on our toes.

From where I sit, this country needs papers with different points of view—just as it needs people with different ideas and tastes. You may prefer iced tea as a hot-weather cooler... I generally choose a cold glass of beer. But if either of us couldn't express his opinion, and act on it, that would be "bad news" for the whole community.

GRADS PARTIED

PAHOKEE—The home room mothers of the senior class of Pahokee high school entertained with a reception Monday night following graduation exercises, honoring class members, their parents, and members of the school board and other guests.

A feature of the entertainment was a quartet composed of Chuck Elliott, Jimmy Schoepel, Ferris Kincaid and Ronnie Elliott.

There were approximately 200 attending. Mrs. B. Elliott and Mrs. W. D. Howard presided at the punch bowl. Mrs. E. I. Pope, Mrs. Thomas Elliott, Mrs. J. E. Williams, Mrs. J. P. Parker, Mrs. D. R. Hall and Mrs. C. A. Brown were hostesses.

WASHINGTON
NEWSLETTER

By Sen. George Smathers

WASHINGTON—It has always seemed to me illogical to spend billions to fight Communism-breeding conditions in countries thousands of miles away from home, and yet permit those same conditions to exist right here in our own backyard—in Latin America.

That is why I have previously voted to cut appropriations for foreign aid going to these far away places, and have attempted to increase to some extent those for Central and South America. Of the 36 billion dollars we have spent in foreign aid, only 1½ percent has gone to the nations in the western hemisphere.

During the current debate in the Senate on the Mutual Security Bill, I intend to offer an amendment to channel \$17 million for development assistance to meet emergent conditions in Latin America, with \$10 million authorized for Guatemala.

Guatemala, which so recently threw off Communist shackles, is still shaky and vulnerable, and needs our assistance to strengthen her against Communist attempts to regain control. By the time you read this, I hope the Senate will have acted favorably on my amendment. This is needed insurance against Communism in the western

hemisphere.

GOOD RETURNS: Florida is among the highest on the list of states receiving Federal grants for such worthy projects as the school lunch and construction programs, agriculture experiment stations and extension work, disaster loans, flood control and rivers and harbors improvement projects, highway construction, public health services, Civil Defense, housing construction, veterans' pensions and old age assistance, and many other programs.

Total federal revenue collected from Florida in fiscal year 1954 was \$680 million, and money returned in direct grants amounted to \$91 million. This, coupled with the \$450 million spent by the Navy and Air Force in Florida, amounts to excellent "returns" on tax dollars "invested".

A WARNING

From Apr. 29 through May 17, 1955 40 new cases of tuberculosis were reported in Palm Beach County.

WALKER-SCHLECHTER

First Methodist Church of Pahokee was the scene Sunday afternoon of the impressive candlelight ceremony which united in marriage Miss Eleanor Lee Walker, daughter of Mr. and Mrs. William Robert Walker, Pahokee, and Johnny O. Schlechter, son of Mr. and Mrs. W. E. Schlechter, Chosen.

The vows of the double ring ceremony, read by Dr. Rembert A. Guy pastor, were exchanged before an altar banked with palms and two white floor baskets of white gladioli and white chrysanthemums. White tapers in cathedral candelabra lighted the altar. The window alcoves were decorated with greenery and white lilies. The family pews were marked with white satin ribbon bows. Mrs. William McClenithan was organist, and soloist was B. Elliott, jr., Miami.

The bride, given in marriage by her father, wore a gown of white Chantilly lace and nylon tulle over white satin. It was fashioned with a fitted bodice of lace over satin designed with a scoop neckline and long sleeves of lace re-embroidered with iridescent sequins. The chapel length bouffant skirt of nylon tulle over satin, had lace appliqued flowers sprinkled with sequins. Her elbow length French illusion veil fastened to a matching lace crown edged with tiny seed pearls. She carried a white prayer book outlined with white phynosis orchids and centered with a large white orchid form which fell white satin in streamers.

The matron of honor, Mrs. B. Elliott, jr., of Miami, wore a floor length gown of shrimp crystalette with a matching shrug and hat, and carried a fan-shaped bouquet of matching net and miniature orchids. Miss Patsy Batchelor, cousin of the bride, Miss Mary Belle Schlechter, Chosen, sister of the bridegroom, and Miss Carolyn Scruggs Jackson, wore gowns designed identical to that of the matron of honor, but of tile blue, and carried matching bouquets with orchids.

Walter E. Schlechter, jr. of Chosen was his brother's best man. Ushers were Robby Walker, brother of the bride, Walter Mosley, Chosen, and Jerry Brent, Belle Glade.

The bride's mother wore a gown of aqua nylon tulle and lace sequins, trimmed with aqua accessories and a purple orchid corsage. The bridegroom's mother wore dusty rose crystalette with cream colored accessories and a corsage of butterly orchids.

Immediately following the ceremony a reception was held at the home of the bride's parents. Mrs. Charles Dickson, Miss Melba Pugh and Miss Lynn Shirley served the cake and punch. Mrs. C. A. Batchelor aunt of the bride and Mrs. Horace Unwin assisted. Mrs. Lavon Batchelor of West Palm Beach, cousin of the bride presided at the guest book.

After a Florida wedding trip the couple will reside in Chosen through the summer and this fall will make their home in Gainesville where Mr. Schlechter will be a sophomore at the University of Florida.

Miss Barbara Gruber, daughter of Mr. and Mrs. William Gruber, a member of the 1955 high school graduating class, left Friday morning to spend the summer in Alliance, O. She expects to enter Western Reserve University in September.

Weddings and Engagements

MOBLEY-WILLIAMS

At a candlelight ceremony at South Bay Baptist Church last Sunday, Miss Sandra Mobley, daughter of Mr. and Mrs. John Mobley of Belle Glade, became the wife of Jimmy Williams, son of Mr. and Mrs. A. J. Williams of South Bay.

The church was decorated with palms and baskets of white carnations. The bride wore a ballerina length gown of white lace over satin and carried a bouquet of white carnations centered with an orchid. Miss Dorothy Jean Mobley was her sister's only attendant. Attired in a ballerina length gown of aqua nylon, she carried a colonial bouquet of yellow rosebuds. Donald Barstow was Mr. Williams' best man.

For her daughter's wedding Mrs. Mobley chose a gray dress with white accessories and wore a corsage of white carnations. Mrs. Williams' dress was of rose colored linen with white accessories and her corsage was also of white carnations.

A reception was held at the Williams' home immediately after the ceremony. The young couple left on a honeymoon which will take them to points of interest in Florida, Georgia and Alabama. Upon their return they will be at home to their many friends in one of the new duplex homes in the Fisher

sub-division. The new Mrs. Williams was graduated with this year's class at the Belle Glade high school and her husband is a graduate of the class of 1953.

NORRIS-JOHNSON

Miss Jane Ellen Norris, daughter of Mr. and Mrs. W. J. Norris of Belle Glade became the bride of Johnnie Oscar Johnson of Clewiston, in a double ring ceremony performed by Rev. H. E. Garrett at Belle Glade Community Methodist Church May 29. Mr. Johnson is the son of Oscar Johnson, and the late Mrs. Ola Johnson.

The bride, who was given in marriage by her father, was attired in a gown of Irish lace over tulle and sateen, with a waltz length, tiered skirt, and

fitted bodice. Its jacket had finger tip sleeves. Her shoulder length veil had a crown of matching lace with seed pearls, and she carried a white Bible with a white orchid and tuber-roses.

Mrs. Donna Zawadski, of Lakeland, the former Miss Donna Norris, served her sister as matron of honor. Bridesmaids were Miss Jane Webster and Miss Montine Doolittle, both of Belle Glade. Cathy Battle, daughter of Mr. and Mrs. Warren Battle was the flower girl.

Billy Blount of Clewiston served Mr. Johnson as best man, and Eddie Musgrave and Gerald White, also of Clewiston were ushers.

Following the ceremony a reception was held at Jameson Hall. Mrs. Sue Bailey kept the bride's book, and Miss Barbara Gruber, Miss Betty Jo Hayes, and Miss Doris Burke assisted in serving the wedding cake.

The couple left for a brief honeymoon at Ft. Myers, the bride wearing a gray linen suit

with white accessories and a white orchid corsage. Upon their return they will make their home at Hooker's Point.

Mrs. Johnson, a graduate of Belle Glade high school in 1954, has been employed recently at Belle Produce Company. Mr. Johnson was a graduate in the class of 1953, and is employed by the United States Sugar Corporation.

BIGGEST thing in Low-Priced cars

\$2628.00

Delivered locally!

*2 door, 6-passenger Buick SPECIAL Sedan, Model 48, 112" wheelbase, 112" overall. Optional equipment, accessories, state and local taxes, if any, additional. Prices may be slightly higher in adjoining communities. Even the factory-installed extras you may want are bargains, such as:
Heater & Defroster-\$81.70;
Radio & Antenna-\$92.50.

THIS is a Buick — a 2-door, 6-passenger SPECIAL Sedan.

It packs a walloping 188-hp V8 engine under the hood—is carried on a strapping 122-inch wheelbase—rides with the luxury cushioning of all-coil springing, the solid steadiness of a full-length torque-tube drive, the extra safety and silence of tubeless tires.

It's big and brawny and road-steady and roomy—each seat cushion measures over five feet in width.

Yet this beauty—as the price we show here proves—delivers locally for just about the price of the well-known smaller cars—even below some models of those same cars.

Buick Sales Are Soaring To New Best-Seller Highs

That, for sure, is one reason why Buick sales go higher and higher and higher. More and more people are finding that you can buy a

Buick for the price of a smaller car, so more and more people are getting this bigger buy for their money.

They want the bigger package of sheer automobile for the money that they get in Buick—bigger in power thrill, in roomy comfort, in riding steadiness, in structural solidity.

They want the added prestige and pleasure of owning Buick styling and size—and the added safety and sureness of Buick roadability and handling ease.

They want, too, the spectacular performance and better gas mileage of Variable Pitch Dynaflow†—yours at modest extra cost.

And they certainly want the choice Buick offers of a car in every price range, with each one the buy in its field—the low-price SPECIAL, the supremely-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

Why don't you come in for a visit and see how much real automobile your money can buy here?

†Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

ALL-TRUCK
BUILT to save you the BIG money!

There's this vital difference between
INTERNATIONAL and other trucks: Of the 5 leading
makes, only INTERNATIONAL builds a complete
line of models that are *all-truck*... with no
passenger car engines or components asked to
do a truck job.

This means that INTERNATIONAL, for all their
comfort and easy handling, are engineered and
built to save you the big money... the operation
and maintenance money.

The proof is in the records of cost-conscious
operators who have made INTERNATIONAL the
heavy-duty sales leader for 23 straight years! It
will save you *BIG* money to go INTERNATIONAL.
Drop by and we'll show you why—in
complete detail.

From fiery forges and pre-
cision machines come extra-strong
INTERNATIONAL crankshafts.
Those used in light-duty models are
17% heavier than the average of
comparable forged or cast alloy
6-cylinder designs—for maximum
strength and rigidity, long life.
